DEMO. PLAN

SCALE: 1/8" = 1'-0"

NEW WORK PLAN

SCALE: 1/8" = 1'-0"

NOT FOR CONSTRUCTION

NOTE: This preliminary drawing indicates the programmatic scope of the project in terms of an interior design concept. As a conceptual drawing, it does not necessarily describe or indicate all work required for a complete interior installation. If this conceptual drawing is used as a basis for budget estimating, the estimator must include all additional components, finishes, etc. which would constitute a complete interior installation.
